

# Roadwise Review™

powered by DRIVINGHEALTH® INVENTORY

**AAA Roadwise Review™** is an easy-to-use program that shows seniors how changing visual, mental and physical conditions affect driving. It's available online and on CD-ROM.

To learn more about how **Roadwise Review** can keep mature drivers safe, contact your local **AAA club** or visit **SeniorDriving.AAA.com**.

**Seniors, check your driving abilities conveniently, confidentially and from the comfort of home.**

# Detect and Correct Risks Behind the Wheel with **AAA Roadwise Review™**

Health and driving experts created **Roadwise Review** to help mature drivers identify shifts in abilities.

The program delivers confidential, instant feedback on performance in eight key areas, with individualized suggestions to keep each user driving safely, longer.

For more information about **Roadwise Review** and safe driving for seniors, visit:
